furnishing with style

SHAPES & COLOURS HARMONISED TO ANY STYLING

Smooth and elegant shapes entering the house as natural fittings, to live in a warm and intimate atmosphere. The essential and sober style warms the house through the harmony of its many tones and its soft and sensuous lines outlining pleasing and original motifs. Conceived to heat the house, the radiators from the "Dolce Vita" series decorate and complete the walls. Their style, combined with the practicality of modern and functional elements, makes life a... "Dolce Vita".

**The "Dolce Vita" series is available
in the entire range of RAL colours.**

FOR A WARMER AND MORE PLEASANT BATHROOM
